Blessing of the Fleet

Our Heavenly Father, whom has the power to command the wind and the waves please hear our prayer. We ask that you grant us your protection over our families and loved ones at home, our boats and equipment which we will put to sea each day of this tournament.

We ask for fond memories, comraderies and the skills to enable us to launch in the morning and return safely to shore each day. Lord, we thank You for Your creation, the ocean, that You have given us to respect and we pray that this will be used wisely, not only this week but all the days of our lives. May the wind always blow gently in our faces.

We ask all of this in the name of Our Heavenly Farther.... Your Blessing

Amen
